- What data do we collect?
- How do we collect your data?
- How will we use your data?
- How do we store your data?
- Marketing
- What are your data protection rights?
- What are cookies?
- How do we use cookies?
- What types of cookies do we use?
- How to manage your cookies
- Privacy policies of other websites
- Changes to our privacy policy
- How to contact us
- How to contact the appropriate authorities

### **What data do we collect?**

Poison2020 collects the following data:

- Personal identification information (Name, email address, delivery address message, etc.)

### **How do we collect your data?**

You directly provide Poison2020 with most of the data we collect. We collect data and process data when you:

- Register online or place an order for any of our products or services.
- Voluntarily complete a customer survey or provide feedback on any of our message boards or via email.
- Use or view our website via your browser's cookies.

## **How will we use your data?**

Poison2020 collects your data so that we can:

- Process your order and manage your account.
- Email you with special offers on other products and services we think you might like.
- Answer questions

If you agree, Poison2020 will share your data with our partner companies so that they may offer you their products and services.

- Teespring

When Poison2020 processes your order, it may send your data to, and also use the resulting information from, credit reference agencies to prevent fraudulent purchases.

## **How do we store your data?**

Poison2020 securely stores your data at Teespring and WIX

Poison2020 will keep your PII data for 90 days. Once this time period has expired, we will delete your data

## **Marketing**

Poison2020 would like to send you information about products and services of ours that we think you might like, as well as those of our partner companies.

- Teespring and WIX

If you have agreed to receive marketing, you may always opt out at a later date.

You have the right at any time to stop Poison2020 from contacting you for marketing purposes or giving your data to other members of the Poison2020 Group.

If you no longer wish to be contacted for marketing purposes, please [click here](#).

## **What are your data protection rights?**

Poison2020 would like to make sure you are fully aware of all of your data protection rights. Every user is entitled to the following:

**The right to access** – You have the right to request Poison2020 for copies of your personal data. We may charge you a small fee for this service.

**The right to rectification** – You have the right to request that Poison2020 correct any information you believe is inaccurate. You also have the right to request Poison2020 to complete the information you believe is incomplete.

**The right to erasure** – You have the right to request that Poison2020 erase your personal data, under certain conditions.

**The right to restrict processing** – You have the right to request that Poison2020 restrict the processing of your personal data, under certain conditions.

**The right to object to processing** – You have the right to object to Poison2020's processing of your personal data, under certain conditions.

**The right to data portability** – You have the right to request that Poison2020 transfer the data that we have collected to another organization, or directly to you, under certain conditions.

If you make a request, we have one month to respond to you. If you would like to exercise any of these rights, please contact us at our email:

Call us at: 0032488820323

Or write to us: [poison2020@outlook.be](mailto:poison2020@outlook.be)

## **Cookies**

Cookies are text files placed on your computer to collect standard Internet log information and visitor behavior information. When you visit our websites, we may collect information from you automatically through cookies or similar technology

For further information, visit [allaboutcookies.org](http://allaboutcookies.org).

### **How do we use cookies?**

Poison2020 uses cookies in a range of ways to improve your experience on our website, including:

- Keeping you signed in
- Understanding how you use our website

## **What types of cookies do we use?**

There are a number of different types of cookies, however, our website uses:

- **Functionality** – Poison2020 uses these cookies so that we recognize you on our website and remember your previously selected preferences. These could include what language you prefer and location you are in. A mix of first-party and third-party cookies are used.
- **Advertising** – Poison2020 uses these cookies to collect information about your visit to our website, the content you viewed, the links you followed and information about your browser, device, and your IP address. Poison2020 sometimes shares some limited aspects of this data with third parties for advertising purposes. We may also share online data collected through cookies with our advertising partners. This means that when you visit another website, you may be shown advertising based on your browsing patterns on our website.

## **How to manage cookies**

You can set your browser not to accept cookies, and the above website tells you how to remove cookies from your browser. However, in a few cases, some of our website features may not function as a result.

## **Privacy policies of other websites**

The Poison2020 website contains links to other websites. Our privacy policy applies only to our website, so if you click on a link to another website, you should read their privacy policy.

## **Changes to our privacy policy**

Poison2020 keeps its privacy policy under regular review and places any updates on this web page. This privacy policy was last updated on 14/11/2020.

## **How to contact us**

If you have any questions about Poison2020's privacy policy, the data we hold on you, or you would like to exercise one of your data protection rights, please do not hesitate to contact us.

Email us at: [poison2020@outlook.be](mailto:poison2020@outlook.be)

Call us: 0032488820323

Or write to us at:

### **How to contact the appropriate authority**

Should you wish to report a complaint or if you feel that Poison2020 has not addressed your concern in a satisfactory manner, you may contact the Information Commissioner's Office.
